ERP CIRCULAR No.23

While going through the Management Dashboard, it is observed that the data pertaining to Substations and Transmission Lines, available in the ERP System, i.e. the Functional Locations (Transmission Lines and Bays at substations) & Equipments (X-mer, CT, PT, etc.) of newly commissioned Transmission Lines/Bays/ Equipments or commissioned after 01.12.2018 (i.e. after Go-Live) of various substations and EHV Lines have not been entered/updated in the ERP system, due to which the correct/updated data is not displayed in the Management Dashboard.

It is, therefore, decided that concerned Executive Engineers [EE (Testing) in case of Substation Bays & Equipments and EE(EHT:Maint.) in case of Transmission Lines] shall be responsible for completeness/updation and validation of data entered in the ERP system.

The concerned Executive Engineers shall arrange entry/ up-dation and validation of data, immediately after commissioning of Functional Locations & Equipments and furnish a certificate through email, in respect of entries made or Nil (in case no data is entered/updated during that month) to HoD, with a copy to IT & ERP Cell by 5th of every Month. The Nodal Officer/Core team Member of ERP of respective CE Offices, shall monitor the same, regularly.

By order
